¹ Some conditions apply. Bonus interest is paid to eligible accounts based on the annual average monthly balance of the Automatic Savings Plan contributions made during the 12-month term, less any withdrawals made that are not offset by an equal or greater lump sum deposit. The incremental bonus is paid in addition to the regular posted rates on the account. See your branch for full details.

² Deposits made in-branch will count toward free transactions and any additional in-branch deposits will be charged the branch transaction fee.

³ Excludes non-Scotiabank ATM transactions, and transactions conducted at out-of-country ATMs (see your branch for applicable fees), transfers to third parties or involving accounts held at other financial institutions; Sundry transaction fees apply (eg. Stop payment of cheques, wire transfers, ATM mini statement etc).

⁴ See branch for current interest rates and overdraft rates and fees. Interest rates quoted are subject to change at anytime without prior notice. Interest is calculated on minimum monthly balance and paid monthly.

⁵ Only non-interest bearings accounts are available to residents of Canada.

⁶ 25% off safety deposit box fee, no commission or fees charged for standing orders and bank drafts.

⁷ For joint accounts, the primary account holder must meet the age eligibility requirements.

⁸ Once Primary Savings Junior customers reach age 18, their accounts will automatically be converted to the Primary Savings Account. Once Electronic Access Youth customers reach age 25, their accounts will automatically be converted to the Electronic Access Account.
